Diary No 1667

Submitted to Registrar

The schedule of rates called for from the Chief Engineer has not been received yet Printed copies of it are not available Here, the Superintending Engineers seem to have been requested to furnish the rates prevailing in their respective circles and the Chief Engineer's office will have to compile a consolidated schedule after receiving the rates from the Superintending Engineers Hence the delay

A reminder will however be sent to the Chief Engineer in a day or two as usual
